Treaty of the Great King
Israel and the New Covenant
“Behold, my covenant is with you, and you shall be the father of a multitude of nations.” —Genesis 17:4
Throughout the Bible, God has related to his people through covenants. It is through these covenant relationships, which collectively serve as the foundation for God’s promise to bring redemption to his people, that we can understand the advancement of his kingdom. This book walks through six covenants from Genesis to Revelation, helping us grasp the overarching narrative of Scripture and see the salvation God has planned for us since the beginning of time—bolstering our faith in God and giving us hope for the future. Part of the Short Studies in Biblical Theology series.

Covenant and God’s Purpose for the World
The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Restoration of All Things
Leading scholar Daniel Block helps students of the Bible understand the big picture of God's covenants with humanity as they play out in both the First and the New Testaments. After fifty years of teaching and preaching around the globe, Block brings a lifetime of study and reflection on the First Testament and relationship with God to this comprehensive volume. The book focuses on God's covenants as the means by which God has reached out to a fallen humanity. It examines the heart and history of God's redemptive plan and shows why the covenants are essential for our understanding of the Bible.

God's Great Covenant, New Testament
What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they’d like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.
Desiring God A book for anyone who cares deeply about the future of the church. Once upon a time there was a version of our faith that was practically . . . irresistible. But that was then. Today we preach, teach, write, and communicate as if nothing has changed. As if “The Bible says it,” still settles it. It’s time to hit pause on much of what we’re doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What did they know that we don’t? What made their faith so compelling, so defensible, so irresistible? Buckle up . . . you’re about to find out. More importantly, Andy will invite you to embrace the version of faith that, against all odds, initiated a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. A version we must embrace if we are to be salt and light in an increasingly savorless and dark world. “More than any other book I’ve read in years, Irresistible has stretched my view of Scripture. I can’t hear or read a passage from the Old or New Testaments without thinking about Andy’s provocative insights. If you and I take this book seriously, our lives and our churches will never be the same.”—Kara Powell, PhD, executive director of the Fuller Youth Institute and coauthor of Growing Young “Irresistible is like a once-in-a-generation shot across the bow. Andy Stanley takes a lifetime of accumulated insight and wisdom about the Christian faith, history, and why the church isn’t connecting with our current culture, and combines them together in a masterpiece work.” —Carey Nieuwhof, author and founding pastor, Connexus Church “Warning: This book will set you and your ministry back—back to the first century and the approach to advancing the gospel modeled by Jesus and the apostles. Andy reminds us that the resurrection was at the center of the first-century apologetic. Then he challenges twenty-first century believers to reclaim it as the center of ours as well. I agree with Andy—this approach changed the world once. I’m convinced it could do so again. Read and apply now!”—Frank Turek, Christian author, public speaker, and radio host “This book challenged me to rethink my thoughts about the Old Testament, discuss with fellow believers what I was learning, do more connecting and less correcting of others, and be salt and light, making things better and brighter. I love how Andy loves people . . . ALL of them.”—John Maxwell, author of The 360 Degree Leader “It’s time for the church to rethink how it presents a timeless gospel to this generation. In Irresistible, Andy Stanley challenges us to make sure we handle the Scriptures with the kind of integrity that compels everyone to seriously consider following Jesus. Any Christian who reads this book will suddenly find themselves embracing the mission of Jesus with a new passion.”—Reggie Joiner, author; founder and CEO of Orange “Andy Stanley takes you on a historic journey to rediscover the first-generation passion of what it means to faithfully follow Christ. This book will knock you off center, push you out of complacency, and reawaken an unshakable faith that cannot be ignored.”—Craig Groeschel, pastor of Life.Church and author of Hope in the Dark—Believing God Is Good When Life Is Not

God’s Great Covenant, Book One An encyclopedic guide to the interpretation and understanding of biblical literature. Though written by members of the National Association of Baptist Professors of Religion, the 1,450 original entries by some 225 contributors are diverse in viewpoint and devoid of theological prescription. They’re

God’s Great Covenant, Book Two

God’s Great Covenant, New Testament 2-acts Offers a way to enter more deeply into relationship with God through meditations that bring the stories of the Old Testament into our lives today.

Mercer Dictionary of the Bible The English translation of the three-volume Exegetisches WUrterbuch zum Neuen Testament, this monumental work by an ecumenical group of scholars is first of all a complete English dictionary of New Testament Greek. Going beyond that, however EDNT also serves as a guide to the usage of every New Testament word in its various contexts, and it makes a significant contribution to New Testament exegesis and theology. EDNT’s thorough, lengthy discussions of more significant words and its grouping of words related by root and meaning (with alphabetical cross-references) distinguish it from simpler Greek-English lexicons. Advancing the discussion of the Theological Dictionary of the Old Testament, EDNT summarizes more recent treatments of numerous questions in New Testament study and takes into consideration newer viewpoints of linguistics.

God’s Great Covenant, Old Testament 2 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history.
Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Christ of the Covenants The Old Testament was written for us, but not to us. Inviting us to leave our modern Christian preconceptions behind, John Walton contends that we will only grasp the Old Testament’s theology when we are immersed in its Ancient Near Eastern context, being guided by what the ancient authors intended as they wrote within their cognitive environment.

The Great Covenants of the Bible God’s Great Covenant, Old Testament Two continues the journey of God’s people as they become the nation of Israel. The second half of the Old Testament from Samuel to Malachi, describes the rise, fall and restoration of Israel, and chronological stories align events, prophets and kings. Students will also learn how the Old Testament forecasts the coming of Jesus Christ. The workbook contains thirty-two weekly chapters. Recommended for 3rd grade and up.

Revelation Can the truth about Jesus be uncovered—even without a body or a crime scene? Join cold-case detective and bestselling author J. Warner Wallace as he investigates Jesus using an innovative and unique approach he employs to solve real missing person murder cases. In Person of Interest, Wallace carefully sifts through the evidence from history alone, without relying on the New Testament. You’ll understand like never before how Jesus, the most significant person in history, changed the world. Features: Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases Marvel at the way Jesus changed the world as you investigate why Jesus still matters today Learn how to use an innovative and unique “fuse and fallout” investigative strategy that you can also use to examine other claims of history Explore and learn how to respond to common objections to Christianity Detective J. Warner Wallace listened to a pastor talk about Jesus and wondered why anyone would think Jesus was a person of interest. Wallace was skeptical of the Bible, but he investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim’s body. Could the historical life and actions of Jesus be investigated in the same way? In Person of Interest, Wallace describes his own personal investigative journey from atheism to Christianity as he carefully considers the evidence. Creative, compelling, and fully illustrated, Person of Interest will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament. "Wallace has an uncanny ability to discover clues where no one else sees them. Now he tackles perhaps his toughest case ever: solving a deeply personal mystery involving his own religious faith." —ROBERT DEAN, producer of NBC News Dateline "A creative and eye-opening work. You’ll be captivated as Wallace takes you on a thrilling journey of discovery." —LEE STROBEL, bestselling author of The Case for Christ "If you read this book, you will have to reckon with Jesus, not just as a historical person but as Lord and Savior. This is not your typical apologetics book!" —ALISA CHILDERS, author of Another Gospel "Bring your doubts, bring your skepticism—but if you bring them in open-minded honesty . . . be prepared to render a shocking verdict." —SCOTT HANSON, host of NFL RedZone

President Kimball Speaks Out

Covenant of the Torch A Study Guide and a Teacher’s Manual Gospel Principles was written both as a personal study guide and as a teacher’s manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life’s questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Gospel Principles The Bible records a number of covenants that God made with his people. However, rather than merely abstract ideas for theologians and scholars to study, the covenants in Scripture hold the key to understanding the Bible’s overarching story and message. In God’s Kingdom through God’s Covenants, two world-class scholars offer readers an engaging snapshot of how God has chosen to lovingly relate to his people in history, tracing the significance of the concept of “covenant” through both the Old and New Testaments. Explaining the differences between covenant theology and dispensationalism while offering a thoughtful alternative to both, this book ultimately highlights the covenantal framework through which God has promised to remain faithful to his people.
God's Great Covenant, New Testament, Book One

Dispensational Truth, Or God's Plan and Purpose in the Ages The Covenant of the Torch made with Abraham is the most significant among all the covenants in the Bible. Why? It's the most detailed yet condensed summary of God's divine administration for redemption that outlines the work of restoration of His godly people and holy land. In this book, Rev. Abraham Park brings to life the Covenant of the Torch, and helps us to understand—accurately, and in chronological detail—692 years of redemptive history starting from Abraham, including the great exodus, the wilderness journey and the conquest of Canaan. Just as his best-seller The Genesis Genealogies has helped readers to better understand the time frames and relationships in the Book of Genesis, Rev. Park now helps us to carefully study the books of Exodus up to Joshua, and to realize what those events and participants tell us regarding God's plan of salvation. This title is part of the History of Redemption series which includes: Book 1: The Genesis Genealogies Book 2: The Covenant of the Torch Book 3: The Unquenchable Lamp of the Covenant Book 4: God's Profound and Mysterious Providence Book 5: The Promise of the Eternal Covenant

The Old Covenants The two great covenants that we call the Old and New Testaments are the great mountain peaks of history, of revelation, and of the one true faith. This study concerns the practical and historical aspects of the covenants and their bearing upon the closely related subject of Messianic prophecy and fulfillment. The position taken is that a peaceful and prosperous future for this sin-cursed world cannot be realized until there is a clearer understanding of the covenants and a more consistent application of covenant truth in the everyday life of the Christian and the church.

The Book of Covenants

God's Invitation This fresh assessment of covenant theology may represent the first book-length examination of the structural relationships of the Old Testament covenants. Tremper Longman, a professor of Old Testament at Westminster Theological Seminary, describes The Covenants of Promise as “a marvelously written and profound book which deals with some of the most crucial issues in biblical theology.” “The significance of The Covenants of Promise,” writes the author, “is in its application of the structure of the covenants to biblical theology. . . . The division of the Old Testament covenants into the categories ‘promissory’ and ‘administrative’ is unique in the literature on the covenants.” This complex “bi-covenantal” structure within which God disposes of the inheritance promised to his people becomes discernible in the biblical text through a sound application of proper exegetical theology. The textual evidence leads one to question the way some tenets of traditional covenant theology have been expressed, but not the tenets themselves. The author first explores the promise in its Old and New Testament settings. He deals with the way in which the promise is expressed in the major covenants, devoting considerable space to the law in the teachings of Jesus and Paul. Next he argues that the promise covenant is eternally valid and that circumcision, the law, and the new covenant are “administrative covenants.” Finally he examines the implications of this structure for biblical theology. Selected topics are the redemptive relationship between Father and Son, the covenant of works, law and grace, and the relationship between the testaments.

The Book of Covenants The President of The Church of Jesus Christ of Latter-day Saints discusses morality, testimony, being a missionary, service to others, profanity, personal journals, tithing, administration to the sick, and planning your life.
God's Kingdom through God's Covenants

The First Book of Moses, Called Genesis Fall theme: Covenants With God Genesis | Exodus | Numbers | 1 Samuel | 2 Samuel | Nehemiah | Jeremiah | Ezekiel | 1 Corinthians | Titus This fall, lessons in Adult Bible Studies follow the theme, "Covenants With God" and consider the major covenants God made with people on behalf of the earth and the human community. Beginning with Noah, God promised benevolence toward creation. God made similar commitments with Abram, Phinehas, and Ezekiel. Ultimately, the covenant forms the foundation for the coming Messiah and salvation for the world. The student book writer is Rosanne Osborne. The writer for the teacher book is Tim Bryan. Signs of God's Covenants The four lessons in this unit, drawn from Genesis and Ezekiel, celebrate four signs of God's covenant. Promising to renew the cycle of seasons, God created the rainbow as a permanent reminder of the covenant with every living thing. Circumcision was the sign of the covenant with Abraham, and the sabbath was the sign of the covenant with Israel at Mount Sinai. The last sign is the Spirit-filled heart. Called Into Covenant With God This five-lesson unit looks at the images of the reign of the resurrected Christ from the Letter to the Hebrews. These lessons help us understand Jesus as the imprint of God, the owner of a household, the great high priest, a priest forever, and the pioneer and perfecter of our faith. An Everlasting Covenant The final unit this quarter develops four lessons, drawn from Numbers, 1 Samuel, Jeremiah, Hebrews, and 1 Corinthians. These lessons examine the components of the covenant God made with the priest, Phinehas, and the divine promise to Israel through the prophet Jeremiah. The unconditional divine promises were to maintain a perpetual priesthood, forgive the unfaithful, and establish a new covenant with Israel. God sealed this covenant of pure grace through Christ as mediator and by writing the Law in the hearts of God's people. Hundreds of thousands of students and teachers use Adult Bible Studies each week in Sunday school classes, mid-week Bible studies, and other small group settings. Bible-based and Christ-focused, it is an approved resource by the General Board of Discipleship of the United Methodist Church. It is published quarterly. Each week's lesson features: A purpose statement offering focus and direction for the lesson. Printed biblical text from The Common English Bible. Reliable and relevant biblical explanation and application A closing prayer, guiding personal commitment. Free Extras! All found at www.adultbiblestudies.com Supplemental Resources Free supplemental resources related to each lesson enhance teacher preparation and small group participation. Current Events Supplement The free Current Events Supplement offers a way to connect each week's lesson to a timely event or topic in the news. The supplements can enhance all resources using the Uniform Series. Register for the Forums at www.adultbiblestudies.com Bold, and you can post and read comments about the lessons from other readers.

The Person and Work of Christ in the Hebrew Scriptures - Major Covenants In Treaty of the Great King, Kline gives a detailed analysis and strong evidence for supporting the interpretation of Deuteronomy as being a legal document between Israel and YHWH that was patterned after ancient Near Eastern treaties, with Moses as its primary compiler. These studies were foundational in Kline's career as a covenant theologian.

The Moody Handbook of Theology

Old Testament Theology for Christians John Owen concludes his excellent Preface with these words: "This worthy author has laboured, if I am not much mistaken, unto good success. And, as his design is to extricate things which seemed perplexed, to give light into the whole doctrine of the covenants, by declaring the proper order and method of things contained in them, with their respect one unto another; that the grace of God, in the Covenant of Grace, may be exalted, and his faithfulness, with his holiness, in the Covenant of Works, both in and by Jesus Christ, the end of the one, and the life of the other. So the reader will find, I hope, that satisfaction in these great and deep enquiries, which he will have occasion to return praise and thanks to God for." Mark Jones concludes his excellent New Introduction with these words: "The rewards are to be reaped from a careful study of this work. I would suggest keeping a Bible and pencil close by since Petto is constantly making reference to the Scriptures without giving the quotation of the passage cited. But more importantly, I would suggest keeping your heart firmly fixed upon the Lord Jesus Christ as he reveals to you, by his Spirit, THE GREAT MYSTERY OF THE COVENANT OF GRACE."

Covenant in the Persian Period The study of God, His nature, and His Word are all essential to the Christian faith. Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of The Moody Handbook of Theology. In this classic and timeless one-volume resource, Paul Enns offers a comprehensive overview of the five dimensions of theology: biblical, systematic, historical,
dogmatic, and contemporary. Each section includes an introduction, chapters on key points, specific studies pertinent to that theology, books for further study, and summary evaluations of each dimension. Charts, graphs, glossary, and indexes add depth and breadth. Theology, once the domain of academicians and learned pastors, is now accessible to anyone interested in understanding the essentials of what Christians believe. The Moody Handbook of Theology is a concise doctrinal reference tool for newcomers and seasoned veterans alike.

Covenant The 22 essays in this new and comprehensive study explore how notions of covenant, especially the Sinaitic covenant, flourished during the Neo-Babylonian, Persian, and early Hellenistic periods. Following the upheaval of the Davidic monarchy, the temple's destruction, the disenfranchisement of the Jerusalem priesthood, the deportation of Judeans to other lands, the struggles of Judeans who remained in the land, and the limited returns of some Judean groups from exile, the covenant motif proved to be an increasingly influential symbol in Judean intellectual life. The contributors to this volume, drawn from many different countries including Canada, Germany, Israel, South Africa, Switzerland, and the United States, document how Judean writers working within historiographic, Levitical, prophetic, priestly, and sapiential circles creatively reworked older notions of covenant to invent a new way of understanding this idea. These writers examine how new conceptions of the covenant made between YHWH and Israel at Mt. Sinai play a significant role in the process of early Jewish identity formation. Others focus on how transformations in the Abrahamic, Davidic, and Priestly covenants responded to cultural changes within Judean society, both in the homeland and in the diaspora. Cumulatively, the studies of biblical writings, from Genesis to Chronicles, demonstrate how Jewish literature in this period developed a striking diversity of ideas related to covenantal themes.

Irresistible The Book of Covenants is a fresh perspective on the story of redemption as found within the covers of the Christian Bible. God did not choose religion to accomplish His goals, but instead, He carried out His masterful plan of salvation through a series of covenants. Biblical covenants offer great insight into the nature, character, and faithfulness of Yahweh, the covenant-keeping God. These relational covenants give us assurance of God's blessings and promises while establishing a clear path to eternal life in Jesus Christ. Knowing the terms of these covenants will help the believer live a life pleasing to God with peace and confidence through understanding their expectations of being in a covenant relationship with God.

Adult Bible Studies Fall 2017 Student [Large Print] God's Great Covenant, Old Testament One teaches the Biblical narrative chronologically, from Genesis to Ruth to elementary aged students. The Old Testament is a narrative of God's faithfulness to his people, and the overarching themes of the promises and power of God are presented in weekly stories. The workbook text contains thirty-two weekly chapters along with maps and 3D illustration. Recommended for second grade and up.

The New Covenant Encountering Christ in the Covenants has been written for people who are new to covenant theology and want to better understand how the great covenants in Scripture reveal Christ. Readers will be helped by the many references to the Reformed confessions and catechisms which are interspersed throughout the pages of this book. The study questions which follow each chapter are designed so that the book can be used in small group study. "Sometimes we make basic concepts more difficult. 'Covenant' is not only a recurring topic in Scripture, but the way in which the biblical plot is structured. Often it helps when those explaining it have discovered a doctrine rather than inherited it. That is certainly evident in this book. I hope it enjoys a wide readership!" -MICHAEL HORTON, J. Gresham Machen Professor of Systematic Theology and Apologetics, Westminster Seminary California. "The revival of interest in the doctrine of the biblical covenants is bearing the fruit of some excellent books on the subject over the past several decades. McManigal has provided a rich coverage of this central doctrine by winsomely presenting his material from a pastoral perspective. The narrative style follows the unfolding biblical story in ten thorough chapters culminating in the new covenant with a surprise ending dealing with the sacraments of baptism and the Lord's Supper. Finally, its christological focus makes it a standout book. I highly recommend this book as a primer in covenant theology for instruction in the local church, but it will also serve well as an apologia to give to those who are unfamiliar with, or perhaps even disagree with, covenant theology. " -DR. GREGORY EDWARD REYNOLDS is the pastor of Amoskeag Presbyterian Church in Manchester, New Hampshire; author of The Word Is Worth a Thousand Pictures: Preaching in the Electronic Age (2001); and editor of Ordained Servant: A Journal for Church Officers. "Pastor Dan McManigal's Encountering Christ in the Covenants introduces the covenantal structure of the whole Bible's story of redemptive history, showing how each advance in God's covenant bond with his people leads
closer and closer to Jesus Christ, the mediator of the new covenant and the focus and fulfillment of all the covenants. Encountering Christ combines clear explanation with theological richness, providing spiritual nurture for mind and soul." -DENNIS E. JOHNSON, Ph.D. Professor of Practical Theology, Westminster Seminary California. "Dan McManigal has provided the Church with a much-needed book. The book is a rare balance between solid biblical truth and a writing style that is a delight to read. His chapters flow effortlessly and if the reader wants to ignore the footnotes, he or she may--although I strongly advise you to read them, for they are filled with essential works. The reader will also be greatly aided by the fact that the writing is always in conversation with Scripture. In short, this work offers a valuable tool that explains a key to open and understand the warp and woof of the Word of God" -DR. RON GLEASON, Ph.D. is the pastor of Grace Presbyterian Church in Yorba Linda, California and author of Herman Bavinck: Pastor, Churchman, Statesman, and Theologian (2010).

What is Reformed Theology? Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

The Covenants of Promise A close examination of the grammar of the Hebrew text of Genesis 12: 1-3, II Samuel 7:12-13, and Jeremiah 31:31-34, with special attention to prefigurings of Christ.

God's Great Covenant, Old Testament 1 The Book of Covenants is a fresh perspective on the story of redemption as found within the covers of the Christian Bible. God did not choose religion to accomplish His goals, but instead, He carried out His masterful plan of salvation through a series of covenants. Biblical covenants offer great insight into the nature, character, and faithfulness of Yahweh, the covenant-keeping God. These relational covenants give us assurance of Gods blessings and promises while establishing a clear path to eternal life in Jesus Christ. Knowing the terms of these covenants will help the believer live a life pleasing to God with peace and confidence through understanding their expectations of being in a covenant relationship with God.

The Great Mystery of the Covenant of Grace The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures."Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetical chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more.American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.
